COMSTOCK-CASTLE WARRANTY

Comstock-Castle Stove Co. (hereinafter Factory), warrants its new product(s) as follows: The initial appliance installation must be completed by a professional / licensed gas technician, familiar with gas and combustion systems and a gas pressure manometer must be used or **this warranty will be void**. Provided the accurately completed installation check list and warranty registration is received by the Factory under the guidelines listed above, the Factory warrants its new product(s) to be free from defects in material and workmanship under normal use for a period of 365 days (1 year) from the date of original installation, not to exceed eighteen (18) months after shipment from Factory or Factory facility. Initial installation, including calibration, is considered to be the responsibility of the end user. Reasonable service / labor costs, as defined by the factory, will be paid for a period not exceeding 365 days from the date of installation. Original parts will be replaced for 365 days from the date of installation, including shipping charges. Next day or 2nd day shipping services will be the expense of the customer. This warranty is extended to the original commercial user and is not transferable. Factory warranty covers the contiguous United States, Alaska and Hawaii for both parts and labor.

PROVISIONS:

- A) The equipment **must be** properly installed, adjusted, operated and maintained in accordance with national, state and local codes for commercial kitchens and in accordance with the installation instructions provided with this product.
- B) Proof of installation date must be submitted on the factory supplied Warranty Registration/Installation Checklist prior to work being performed.
- C) Such repair shall be performed within fifty (50) miles from an office of a **Factory Authorized Service Agency** or sub-agent or any other licensed agent approved in writing by Factory.
- D) The equipment has not been damaged, altered or misused.
- E) The warranty serial number plaque affixed to the appliance has not been defaced, obliterated or removed.
- F) An acceptable report for any claim under this warranty shall be supplied to Factory within thirty (30) days of the work performed.

EXCLUSIONS:

- A) Factory shall have no obligation as to any product(s) which has been misapplied, mishandled, abused, misused, subjected to harsh chemical action or poor water/gas quality, modified without written approval from the Factory, damaged by flood, fire or other acts of nature.
- B) Re-calibrations associated with the replacement of a defective part otherwise covered under this warranty for labor will be covered to the extent of one (1) service call (i.e. the call during which the part is replaced).
- C) Factory assumes no responsibility for travel costs beyond 100 miles round trip, travel other than overland and overtime costs of repair.
- D) Factory excludes paint and porcelain finish, gasket material, ceramic material from normal coverage.
- E) Factory liability on a claim of warranty shall not exceed the price of the material and/or service which caused the claim.
- F) This warranty is limited and is in lieu of all other warranties, expressed or implied. Factory employees or agents shall not be held liable for any claims of personal injury or consequential damage or loss.

RETURN:

Return allowed within 90 days of invoice date, with prior written authorization from the factory, shipped freight prepaid. Equipment must be unused and in packaging acceptable for a damage free return. A 20% restocking charge is assessable.
